With the SC-T3100 it's all about the detail, throughput speed and size of the output (up to 24"). Designed for those who need a professional-level, technical printer that boasts a low total cost of ownership. Whether you're an architect, student, engineer, or work in an advertising agency, the need to print accurately, precisely, reliably and in great detail is essential. Stand included.

#### Clean design

White, compact and fits most environments.

Enables users to print directly from smartphones or tablet devices.

#### Seamless paper changes

Change seamlessly between LFP roll and sheetfeed as this printer supports up to A1 cutsheets as well as rolls.
